(This form is to be signed by all applicants for employment)

The Practice is careful to ensure we comply with all federal and state employment laws and regulations for the protection of our employees. Furthermore, we understand that many of these employee protections extend to those in the application stage of the hiring process. For this reason, we require all applicants to acknowledge their commitment to resolving any disputes or claims about the fairness of our hiring process in a forum that preserves those protections. This process, called arbitration, is less costly and encourages swift and fair resolution by a neutral expert. The U.S. Supreme Court favors arbitration as a fair means of expedited informal dispute resolution.

By signing this application and acknowledgment, you are agreeing to settle any and all previously unasserted claims, disputes or controversies arising out of or relating to your application or candidacy for employment, employment and/or cessation of employment with Employer, *exclusively* by final and binding *arbitration* before a neutral Arbitrator. You are also acknowledging that should you be hired you understand that you will be bound by the terms of this policy. By way of example only, such claims include claims under federal, state and local statutory or common law, such as Age Discrimination in Employment Act, Title VII of the Civil Rights Act or 1964, as amended, including the amendments of the Civil Rights Act of 1991, the Americans with Disabilities Act, the law of contract and the law of tort.

I understand that this policy does not, however, in any way alter the “at will” status of my employment with Employer should I be hired which, unless otherwise agreed upon by written contract, is not for a fixed term or definite period and may be terminated at the will of myself or Employer with or without notice and without resort to this policy.
